We collect personal data only if you give it to us voluntarily provide by ordering a service, contacting us (e.g., via using the contact form or by email). We process data necessary for the performance of the contract or the handling of the case in which they contacted you.

10. Data protection measures taken

Data protection is carried out in accordance with the requirements of common applicable laws, and their storage takes place on secured servers. We respect the right to privacy and take care of data security. For this purpose, among other things, a secure communication encryption protocol (SSL) is used. We have implemented data encryption and have access control in place so that we minimize the impact of any data security breach.

11. Cookies

The gardenswiatel.pl website uses cookies. These are small text files sent by a web server and stored by the browser's computer software. When the browser reconnects to the site, the site recognizes the type of device from which the user connects. The parameters allow only the server that created them to read the information they contain. Cookies thus facilitate the use of previously visited sites.

The information collected relates to IP address, type of browser used, language, type of operating system, ISP, time and date information, location, and information sent to the site through the contact form. The data collected is used to monitor and see how users use our sites in order to improve the site by providing a more efficient and seamless navigation experience. We monitor user information using the Google Analytics tool, which records user behavior on the site. Cookies identify the user, allowing us to tailor the content of the site he or she uses to his or her needs. By remembering his or her preferences, it makes it possible to appropriately tailor advertisements directed to him or her. We use cookies to guarantee the highest standard of convenience on our site, and the collected data are used only internally by Wonderful Lighting to optimize operations.

We use the following cookies on our website:

"necessary" cookies to enable the use of services available on the site, such as authentication cookies used for services that require authentication on the site;

cookies used for security purposes, e.g. used to detect misuse of the site's authentication;

"performance" cookies, which enable the collection of information about the use of the website's pages;

"advertising" cookies, allowing to provide users with advertising content more tailored to their interests.

The user has the ability to disable or restore the option of collecting cookies at any time by changing the settings in the web browser. Instructions for managing cookies are available at: allaboutcookies.org

If you do not agree to the use of cookies, the functionality of our website may be limited.

Wonderful Lighting Ltd. reserves the right to change the Privacy Policy for the following important reasons:

- due to a change in the provisions of generally applicable law,
- in order to implement an obligation arising from a final court decision or a decision of administrative authorities,
- for security reasons, including those aimed at preventing the use of the Services in violation of the law or the Terms of Service,
- make significant changes in the operation of the Site or any of the Services, including those related to technical or technological advances, including when new Services are started, new functionalities are made available or existing Services or functionalities that significantly change the scope of the Services provided are discontinued.

Any change will be announced by publishing the new Regulations on the website.
